Sunflowers For Bees

These sunflowers are not native but they provide excellent forage for bees.

						
Autumn Beauty	Dwarf Yellow Spray	Original Sun	Russian Mammoth	Titan	Velvet Queen	Wooly Sunflower

Habitat Grasses

Grasses provide excellent habitat for bees.

		
Meadow Barley	Mountain Brome	Western Fescue

Bee Fountain

Help bees stay hydrated with a water fountain. It should be shallow and include space for bees to rest on. Rocks make for great islands!
